

EUROPEAN GREEN PARTIES MEMBERSHIP SURVEY
SCOTTISH GREEN PARTY
Questionnaire

September 2002

Dear Scottish Green Party member,

This questionnaire is sent to you as part of the first international survey of green parties' members across Europe. The aim of this survey is to understand more about the backgrounds, beliefs and activities of Scottish Green Party members. The views of ordinary party members on many issues are often not known and thus may be ignored. We hope therefore that you will take the time to complete this questionnaire which should only take about 35-40 minutes.

This questionnaire is being mailed to all members, with the help of the Party office in Edinburgh. Your individual anonymity is guaranteed. Neither we nor anybody else will be able to identify individual responses; the Party will only receive an overall analysis of the replies.

The questions we will ask you cover a wide range of subjects. Most of them can be answered by ticking the box beside the answer you would like to give. No special knowledge is needed to fill in the questionnaire, and we are sure that everyone will be able to give an opinion on all questions. We want all people to take part, not just those with strong views about a particular issue. We think you will find the questionnaire interesting and enjoyable. It should be completed only by the person to whom it was sent, so that responses will reflect all shades of opinion within the Scottish Greens.

The survey is part of an international scientific project studying members of green parties across Western Europe funded by the British Academy. The British Academy is the *national academy for the humanities and the social sciences*. Further information on the European project can be found at: <http://www.strath.ac.uk/Departments/Government/politics/rudig/EGPM/EGPM.htm>

If you have any questions about the survey, please contact Lynn Bennie (01224 273312; l.bennie@abdn.ac.uk) or Wolfgang Rüdig (0141 – 548 2918; W.Rudig@strath.ac.uk). Please return the questionnaire in the enclosed **FREEPOST** envelope.

Q58. Please think for a moment of a thermometer scale that runs from -5 to +5 degrees, where 0 is the neutral point. If your feelings are warm and sympathetic towards someone, give them a score higher than 0 (+1 to +5); the warmer the feelings, the higher the score. If your feelings are cold and unsympathetic, give them a score less than 0 (-1 to -5); the colder your feelings the lower the score. A score of 0 means that your feelings are neither warm nor cold.

First, please give a rating to the following people who are currently playing or have until recently played a prominent role in green politics.
